 dollars paid out in commissions this year

Our members earn good money. In fact, they earn *great money*.

And they get paid **on time, every time**.

Welcome to **Ymservices.net**

The figures on this page are taken from the YMMSS website, and are updated regularly. They show the rapidly increasing total of commissions paid by **Your Money Machine Success System** to its members... all because they're buying advertising credits ([EPCs](#)) and reading other people's advertisements.

It's an **amazing** system that

- delivers a **targeted audience of proven online buyers**, and
- generates a **great deal of commission income** for its members. Here's my up-to-date record of the [my commission payments](#) ... which I personally have received from YMMSS.
- and it's been doing this since 2002.

It's not only a winner... it's a **proven winner**. Ask any member. Click here to read the [success stories](#) of a growing number of our members (as I have time to add more pages to the site).

If you'd like to add the above auto-updating [Commissions Paid](#) panel to your website, you may learn how to do so by clicking the link.

Did you notice that ...

Kim's goal is to establish an online community of 100,000 members, each earning US\$100,000 a year.

That's a \$10 billion economic force.
