You're also protected by **two** guarantees

With "Your Money Machine Success System" (YMMSS), you are guaranteed to make a profit. Here are the two guarantees, quoted directly from the company's website:

Double your money back guarantee

"If you join our \$10.00 a week or higher program and your commissions don't at least double your out-of-pocket expense at the end of 24 months, we will refund you double your total purchase amount."

Triple your money back guarantee

"If you join our \$10.00 a week or higher program and your commissions don't at least double your out-of-pocket expense at the end of 36 months, we will refund you triple your total purchase amount."

Where else do you see confidence like this?
